President's Corner..

Hopefully, we all had a good holiday season.

The LCKC holiday party was a big success. Dinner was great, and many gifts were exchanged (and "stolen"). Thanks to Chris Irvin for hosting the get-together.

Many of our club members are participating in HumDog's Dog Expo at Redwood Acres on February 17, 2008. The deadline to apply for table space is January 15th. If you need more information, please contact Pat Johnson at the HumDog number, 444-3862.

Looking forward to another great new year for LCKC.

See you at the next meeting.

Jill Otto

Sunday, January 13, 9:30 a.m. - Animal Planet's Breed All About It will be presenting **Great Danes**. This will be repeated on Saturday, January 19.

*Saturday, February 2 - The **Eukanuba Tournament of Champions**, which was held in Long Beach early in December, will be simulcast on Animal Planet and the Discovery Channel. It was disappointing that live coverage of the event was not provided as had been done in previous years, but it is still an event worth watching. Especially interesting should be the Eukanuba World Challenge, a competition for the top dogs from 40 different countries. The broadcast will be repeated on February 3rd, 7th, 9th, 17th, and 23rd.

*Sunday, February 10 - The **AKC Agility Invitational** will be featured on Animal Planet.

*Monday, February 11 & Tuesday, February 12 - The **Westminster Kennel Club Show**. Hound, Non-Sporting, Herding, and Terrier breeds & Groups will be judged on Monday. Sporting, Working, Toy and BIS will be judged on Tuesday. Total entry is 2,627, with the largest entry coming from California (287). NOTE: A streaming video of individual breed judging highlights will be posted on the Westminster KC website within two hours of the completion of judging. www.westminsterkennelclub.org

HOW MANY DOGS DOES IT TAKE TO CHANGE A LIGHTBULB.....

1. **Golden Retriever**: The sun is shining, the day is young, we've got our whole lives ahead of us, and you're inside worrying about a stupid burned out bulb?
2. **Border Collie**: Just one. And then I'll replace any wiring that's not up to code.
3. **Dachshund**: You know I can't reach that stupid lamp!
4. **Rottweiler**: Make me.
5. **Boxer**: Who cares? I can still play with my squeaky toys in the dark.
6. **Lab**: Oh, me, me!!!! Pleeeeeeeeeze let me change the light bulb! Can I? Can I? Huh? Huh? Huh? Can I? Pleeeeeeeeeze, please, please, please!
7. **German Shepherd**: I'll change it as soon as I've led these people from the dark, check to make sure I haven't missed any, and make just one more perimeter patrol to see that no one has tried to take advantage of the situation.
8. **Parson Russell Terrier**: I'll just pop it in while I'm bouncing off the walls and furniture.
9. **Old English Sheep Dog**: Light bulb? I'm sorry, but I don't see a light bulb
10. **Cocker Spaniel**: Why change it? I can still pee on the carpet in the dark.
11. **Chihuahua** : Yo quiero Taco Bulb. Or 'We don't need no stinking light bulb.'
12. **Greyhound**: It isn't moving. Who cares?
13. **Australian Shepherd**: First, I'll put all the light bulbs in a little circle...
14. **Poodle**: I'll just blow in the Border Collie's ear and he'll do it. By the time he finishes rewiring the house, my nails will be dry.

"You may have a dog that won't sit up, roll over or even cook breakfast, not because she's too stupid, but because she's too smart to bother."
